

2025 Sponsorship Information

Have you ever
wanted to share
some *good* news?
There is a way.

A big hearted thanks goes
out to past Hammer
Sponsors and Supporters:

Associated
Housewrights,
Findorff, Group
Health Cooperative,
Ideal Builders,
Johnson Financial
Group and
Milwaukee Tool.

Together we can
make a difference!

As a Hammer with a Heart sponsor you can post a photo like the one above on your social channels and share with friends and family. Project Home is out in the community, making repair for our neighbors in need. Yard signs will be customized to recognize your company as a sponsor!

We've done over 7,600 repairs in Dane and Green counties homes and need your support to meet an even greater need in 2025. 75% of clients have seniors living in home and 42% of program participants are living below 30% CMI (\$37,750 for a family of four) with most living on fixed incomes. We have a waiting list of people who need essential home repair help.

*You can make a direct and meaningful impact in our community by becoming a **Hammer with A Heart** sponsor or supporter ... and share the good news!*
